Navy Child Development Home

Quality childcare in a loving, learning environment

Do You Enjoy Working With Children?

On or off-base, the Child Development Home (CDH) profession offers providers the opportunity to work in their own home and watch their own children grow and develop while, at the same time, caring for children of military families and earning additional income. Navy certified home child care professionals work for themselves, set their own hours and select the age group of children best suited for their family. Additional benefits include:

- Toy and equipment lending library
- Low cost liability insurance
- Free monthly training
- Free promotion, advertising & referrals

For more information on a career with the Child Development Home program, call 462-7504.

Night & Weekend Child Care

The Mid-Atlantic Region has expanded the CDH provider's list of who will provide child care during evenings, nights and weekends. These providers can accommodate all of your duty hours at the same rate as daytime child care. Call the Resource & Referral office for assistance in finding a CDH provider who is right for you.
